

## Hypnosis &amp; NLP

**25 Lessons in Hypnotism***unknown*

Shades of the Manchurian Candidate...this book teaches how to put someone into a hypnotic trance by showing them a playing card.

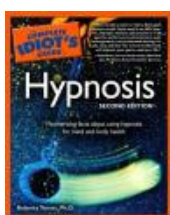

This is a great starter book from the depression years with all kinds of diverse hypnotic information. There are even a few "politically incorrect" statements in the book. But, after all, it was the 1930s.

You will...

**Complete Idiot's Guide to Hypnosis***Roberta Temes*

Contrary to many things said about hypnosis, it is actually the practice of auto-suggestion. Hypnosis is proven to be able to treat several ills and habits ranging from smoking to impotence. This ebook is an easy-to-follow guide on how readers can practice hypnosis on themselves and others, or as a tool to resolve physical and emotional problems. The...
