Arthur Dailey Photographs

Arthur Dailey Photographer Extraordinaire

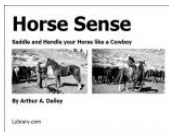

Arthur A. Dailey

This is a collection of articles, some written about and some written by Arthur Dailey. They give a flavor of what kind person Arthur was. There are many extraordinary things one could say about Arthur, ranging from his magnificent photographs to his work as advertisement man. But perhaps the best way to understand Arthur is to examine the company he...

Horse Sense - saddle and handle your horse like a cowboy

Arthur A. Dailey

Mr. Dailey took these photographs while living and working at Eatons' Ranch in Wyoming in the early 1920s. As a budding photographer and former instructor in the United States Cavalry, he put his talents and knowledge together to create this display which helps riders to this day. It should be noted that the rider must always be concerned about safety...

Lucky Luke

An American Cowboy

The first five Stories

Lucky Luke Original Stories Vol. 1

Arthur A. Dailey

These are the five first original Lucky Luke stories (radio scripts) that Arthur A. Dailey wrote. They aired from WBBM Air Theatre in Chicago in 1934 and were syndicated to many other stations throughout the continental United States.

The stories are:

- Lucky Luke battles cattle thieves
- Luke's girl saves his life - or how he escaped from a cattle
