**Flight Without Limits**

Rolf A. F. Witzsche

Imagine, travelling in an instant to wherever you want to be! The universe is your playground. Thought becomes expression. This is science fiction. Maybe mentally it isn't? The novel is about a space voyage to Alpha Centauri, the nearest solar system to our own. It starts as a high tech voyage, but it becomes much more than that. It links up with a future...

**Burnt Soul**

Kieran Murphy

It started with a letter pinned to a lifeless body in the rundown Dublin suburb of Ballyrunner. It promised more victims and more bloodshed. It declared that those responsible for a heinous crime would be hunted down and would finally face justice. And the writer vowed that he would not stop until the job was done. The letter did not lie.
