**Annemann's Collected Works**

disc type: CDROM

Ted Annemann

Here we collect all of the 16 ebooks we have by Annemann. Besides the Jinx magazine, this is as far as I know a complete set of all of Annemann's writings. For mentalists, this is mandatory reading. For all other magicians it is highly recommended, because the wisdom imparted to you is applicable in all of magic. Buying these books and booklets individually...

**August Roterberg**

disc type: CDROM

August Roterberg

This is the first disc in our 'Author Series'. The 'Author Series' has as its goal to bring together on one disc all the published works of one particular author. August Roterberg is the first to receive this honor.

This compilation disc stores the following individual ebooks:

Card Tricks and how to do them
The Modern Wizard...

**Card College 1 & 2**

disc type: DVDROM

Roberto Giobbi

You get both volumes, Card College 1 and Card College 2, on one disc. This makes browsing and following the cross hyperlinks from volume 1 to volume 2 and vice versa a lot more convenient. And since you are buying two volumes, we can give you a bit of a price break.

For a detailed description of the contents of volume 1 and 2, please...

Chapeaugraphy

disc type: CDROM

various

It is fascinating what one can do with a simple felt ring. Three great books on Chapeaugraphy.

This compilation disc holds the following individual ebooks:

- The Modern Conjurer, by C. Lang Neil
- The Art of Chapeaugraphy, by J. G. Hamley
- Magician Annual 1908-9, by Will Goldston...

Charles T. Jordan

disc type: CDROM

Charles Thorton Jordan

This is the third disc in our 'Author Series'. Charles T. Jordan is one of the giants in card magic. You probably know the Jordan Count. There is much more to Jordand than this one move.

This compilation disc stores the following individual ebooks:

- Thirty Card Mysteries
- Ten new Miscellaneous Tricks
- Ten new Prepared Card Tricks...

Hofzinsers Compilation

disc type: CDROM

Johann Nepomuk Hofzinsers & Ottokar Fischer

This disc holds two Johann Nepomuk Hofzinsers PDF ebooks:

- Hofzinsers Card Conjuring
- The Magic of J.N. Hofzinsers

Both works have been written by Ottokar Fischer in German and have later been translated to English, one by Sharpe and the other by Richard Hatch. Richard Hatch, by far the better translator, also translated the famous...

Hugards Collected Works

disc type: CDROM

Jean Hugard

Jean Hugard was one of the most prolific and illuminating authors of magic. This compilation CDROM holds 22 ebooks, which are all known publications authored by Hugard. Not included are books merely edited by Hugard, except Encyclopedia of Card Tricks because it was rewritten by Hugard rather than edited. Also not included on this disc is Hugard's...

Joe Karsons Compilation

disc type: CDROM

Joe Karson

Joe Karsons writings cover the whole spectrum of magic, from cards and mentalism to stage illusions and everything in between. Karson was very creative and prolific. Although most readers will be interested in the secrets contained here, this compilation of his publications also serves another purpose. By bringing the material to the attention of modern magicians...

Leo Boudreau

disc type: CDROM

Leo Boudreau

This is the second disc in our 'Author Series'. Leo Boudreau's work was said to be the next best thing to real mind reading. This is a must read for any mentalist. His books were out of print for a long time. Only a few hundred copies have been manufactured in the first place.

This compilation disc stores the following individual ebooks:

Psimatrika...

Magic Library 3

disc type: CDROM

various

This is our third compilation CD in our 'Magic Library' series. 36 extraordinary ebooks. I included several gems such as "Physical Amusements and Diversified Experiements" by Pinetti, or the "Magician Annual" series with the extremely rare 1909-10 edition that Goldston tried to buy back and destroy. There is no particular theme to this collection. This...

Triple Classic

disc type: CDROM

various

This is our best deal for beginners. Three classics and all time favorites in cards, coins and mental. The Royal Road to Card Magic was the number one recommended book for beginners for card magic. Now it has been surpassed by Card College, which is however also much more expensive. Bobo's Modern Coin Magic is one of the all time best...
